Dear Jon,

**City of London Academy, Islington – Summer School – July 2009:**

I would like to thank yourself and the entire Future Foundations team who facilitated the Summer School (on our behalf) for the City of London Academy, Islington.

I found you and Future Foundations a delight to work with – and the team on site in Grantham were not only professional and dedicated, but an inspiration to the 30 x Year 10 students who were lucky enough to attend.

The residential programme we devised together delivered all main objectives:

- self-confidence and motivation
- development of enterprise skills
- decision making and time management

The children learned not only invaluable skills from your wonderful team, but continue to tell of 'the fun they had'!

I very much look forward to working with Future Foundations for many years to come, and as you know, we are currently in the process of organising the 2010 Summer School.

Yours,

**Roseann McBride**
